IRC Annual Report to Unitholders in the Funds

Dear Unitholder,

In accordance with **National Instrument 81-107 *Independent Review Committee for Investment Funds*** (“NI 81-107” or the “Instrument”), the Manager established an Independent Review Committee (the “Committee” or “IRC”) for the Funds on May 4, 2016.

The IRC has functioned in accordance with the applicable securities laws and is composed of three individuals, each of whom is independent of the Funds, the Manager and each entity related to the Manager (as defined in the Instrument).

During the Reporting Period, the Manager amalgamated the Fund Company (Foresters Financial Investment Management Company of Canada Inc.) and the Portfolio Manager (Foresters Asset Management Inc.). Effective January 1, 2018 the new entity is called Foresters Asset Management Inc.

The IRC is pleased to publish its annual report to unitholders, covering the period from January 1, 2018 to December 31, 2018 (the “Reporting Period”).

Mandate of the IRC

In accordance with the Instrument, the mandate of the IRC is to consider and provide decisions to the Manager on conflicts of interest, to which the Manager may be subject when managing the Funds. The Manager is required under the Instrument to identify potential conflicts of interest inherent in its management of the Funds, develop written policies and procedures guiding its management of those conflicts and request input from the IRC on those written policies and procedures, hereinafter referred to (the Conflict of Interest Matters manual). The IRC is empowered to represent the best interest of the Funds in any matter where the Manager has referred a conflict of interest matter to it.

When a conflict matter arises, the Manager must refer its proposed course of action in respect of such conflict to the IRC for its review. While certain matters require the IRC’s prior approval, in most cases the IRC will provide a decision to the Manager as to whether or not, in the opinion of the IRC, the Manager’s proposed action provides a fair and reasonable result for the Funds. For recurring conflict of interest matters, the IRC can provide the Manager with Standing Instructions (“SIs”) that enable the Manager to proceed with certain matters without having to refer them to the IRC each time for approval, providing the Manager deals with the conflicts in accordance with the SIs.

Composition of the IRC

The current members of the IRC, and their principal occupations, are as follows:

The IRC reviewed comparable benchmarks and has determined not to make any changes in the members' compensation at this time.

Standing Instructions Approved

The IRC has approved two SIs which constitute a written approval or decision from the IRC that permits the Manager to proceed with the specific action(s) set out in the SI on an ongoing basis, without having to refer the conflict of interest matter or its proposed action to the IRC, provided that the Manager complies with the terms and conditions of the SI. In each case, the SI required the Manager to comply with its related policy and procedures and to report periodically to the IRC. The Manager relied on SI No. 1 during the Reporting Period.
